

Submitter: Chad Kernutt
On Behalf Of: WE THE PEOPLE
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB77

The government needs to stop dictating what WE THE PEOPLE can do with our own privately owned properties. The government has enough issues handling their own agencies, budgets, and department heads with all the scandals and failures that are abounding in those areas of control, mean while continuing to fail all our communities that are not based in the providence of Portlandia. The last thing the government should be doing is intruding on our lives, our liberties, and our properties. The government needs to mind it's business and stay in it's lane. Please vote NO on SB-77, thank you.

Sincerely,
Chad Kernutt
