Measure, Appointment or Topic: HB3362

Attn: Joint Transportation Committee

I urge you to oppose HB3362, the tire tax bill. This proposal will hit hard working Oregonians harder than anyone else and they can least afford it. Then it won't go to fix crumbling roads and bridges, Instead the money raised would go to mass transit and environmental programs, which do not help our immediate infrastructure needs. Oregon's roads are in desperate need of repair and we cannot afford to take any funds away from maintaining and improving our highways. I urge you to reject HB3362 and focus on real solutions to fix our roads.
