Wes Brain

On Behalf Of:

Committee:

Senate Committee On Health Care

Measure, Appointment or Topic:

SB951

I'm writing in support of SB951. This legislation is an important component for building an all inclusive healthcare system here in Oregon. Curbs are needed for a successful system and 951 provides the means for limiting corporate control while assuring Oregon's residents the integrity needed for a fair system which works for all. Help move this legislation forward and all Oregon residents will benefit. Thank you for giving positive support for SB951.
