On Behalf Of: Mr Oregon OPPOSES HB 2138
Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB2138

I OPPOSE [HB 2138].

I am certain Governor Kotek is a nice and congenial person.

I disagree with every word in [HB 2138].

[HB 2138] is a doctrine of destruction for single-family zoned neighborhoods.

Oregon should not be providing and or enticing people to live here. Quite the contrary, Oregon should make housing in Oregon only for those that can afford to live in Oregon devoid of even the slightest government subsidy and or consideration.

This means Oregon should be constructing methodologies to 'Boot' the Illegal Aliens and others that cannot afford to live here save; veterans, disabled people and seniors in the twilight of their years.
