Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Stop imposing new taxes on Oregon Residents to fund out of control spending. Folks like me who can afford to will simply buy a 2nd home our of state and shift residency there. At some point you will not have any who has the ability to pay taxes left to actually pay taxes. I am out of state all the time, I will simply buy my tires when I am not in Oregon.
