Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3580

Hello House Committee,

I am writing in support of HB 3580 and I urge you to pass this Bill. Coastal habitats, including eelgrass meadows and the associated biodiversity are important to the health of our critical coastal habitats. These areas are shrinking and we need to understand them and protect them. This Bill will help that to happen. Please pass this Bill.
