I deeply oppose this bill. This is a huge risk no one should be willing to take. These people have committed crimes and have been found guilty of the crime they committed. Victims of these crimes deserve to know that the state is doing what they can to make sure their assaultant now must be registered. It's mind boggling that anyone would vote to not register a sex offender that has been convicted of a crime as horrible as sex abuse. Oregonians deserve better. Our neighbors deserve to know who's in the neighborhood. These offenders need to be registered right away before they have the chance to offend again. Stand with the Victims and oppose this bill!
