House Rules...

Funny thing about what responsibility we will give Kids... (think about it)

I am currently watching a 16 yr old Girl... just finished 4th in State Wrestling (she has only wrestled 3 yrs).

Classroom reality is not the best of grades...

1st car... 3 days to 1st learning curve accident (not to mention other HS kids in the car, kids don't care about laws... they are kids).

16 yr olds voting ??? I have known very few who have demonstrated the life skills.

I am simply against giving 16 yr olds voting rights... what would they vote for in a School board member :) CRACKS ME UP.
