Measure, Appointment or Topic: HB3362

I am asking you to vote NO on HB 3362. Oregonians have ENOUGH taxes to pay already and cannot afford to pay an additional tax just for buying tires. Why don't you try reducing the deficit in Oregon and balance the budget????!!!! You know, like, perhaps, reduce staffing in departments, etc. Making sure that employees are really working and don't have other jobs, or that they haven't died and you're still paying someone, etc.

MORE and HIGHER TAXES are NOT the answer!!!!
