

Submitter: Lori Pavlicek

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I am against another tax imposed on the citizens and businesses of this state.

This EXCISE TAX is a SALES TAX by another name.

HB 3362 is an outright way of double taxation for non EV owners and businesses. As a business owner I have to function within my means to keep afloat, maybe the government should start doing the same.
