Greetings,

Thank you for your service and your time in reading this note. I oppose the government overreach into peoples ability to make money from the largest asset most people probably have. The Democratic rule in Oregon has so oppressed the residents that they need to find relief. If they can have a home business that adds to their pursuit of happiness and prosperity, why should the government intervein and restrict that endeavor. I strongly oppose this and ask you to vote against this bill.

Respectfully,
Beth Keyser
