

Submitter: Kerst Bosma

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Let's see. We are taxed when we buy gasoline, now Oregon wants to tax when purchasing new tires. What is next? A tax when you change your oil? Oh that is right, we must be carbon neutral and drive electric vehicles. This bill states some of the revenue will produce more access to light rail? Fine if you live in the Portland metro area. Enough of the taxes. Live within your means. Vote no for new taxes!
