Committee: House Committee On Housing and Homelessness
Measure, Appointment or Topic: HB2138

I oppose HB 2138, not because I don't want to make housing more affordable and house the homeless, but because this is not taking into account the safety of neighborhoods. Transportation is a big concern in the North Albany area. Adding so many housing units without improving the roads and transportation systems is unsafe. Any bill proposed needs to address safety measures, not take them away.
