I helped develop this 20 years ago. I don't understand why it's coming again when it's been in use a long time in Wasco county.

Many producers have on farm stores or venues like weddings on the property. It should continue

Fresh produce is healthy. It's a food source that should expand. Selling directly to a consumer.

The bill is too vague to understand housing details. I'm not in favor of corporate ownership of land to do this..they housing must be the farmer and producer.

Thank you
