

Submitter: Veronica Darling

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB821

My name is Veronica Darling and as a mother, a survivor of sexual abuse, and as a concerned Oregonian citizen I oppose this bill and any bill that would allow sex offenders to hide in society or allow them to avoid the full consequences of their crimes, including being known to the public. Please kill this bill.

Sincerely,
Veronica Darling
