On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

I oppose this tax. The taxpayers of this State can't afford yet another tax with no guarantee the money will be used as described. This will drive up costs as businesses that rely on vehicles will pass the added cost on to the consumer. Rather than asking for more money, start by looking where the money currently collected is going and reprioritize the spending.
