As a veteran who served in Vietnam in 1969-70, I fully support the joint resolution to establish a formal relationship with a sister state in Ukraine. I am deeply offended at the disgraceful cowardice and unreliability displayed by the current White House. I hope and pray that Oregon's new relationship with Cherkasy will demonstrate the true values of the United States and that our relationship will far outlast the ignominy of short-sighted, self-serving politicians.
