On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB821

This measure is totally unacceptable. I've spent over 25 years working as a Deputy Sheriff working on corrections. In my time I've watched the numbers of convicted offenders triple. That said without proper tracking there is nothing preventing them to re-offend. We must protect the citizens of Oregon from these twisted individuals. If you wish to fix things so away with mandatory minimums and put power back into judges hands. Then educate the public that of there is a bad judge they should be removed. Enough lifetime judges.
