Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB820

Please oppose this Bill. As a family touched by crimes of sex offenders and violent crime, the scars left behind leave us ll haunted nd looking over our shoulders, forever changed. Not classifying sex offenders makes Oregon irresponsible to its citizens nd other states as these people risk movement. Attracting sexual offenders LOOKING for places to go to live under the radar increases our risk in our communities. NO! your constituents count!
