Ya know, it just seems to me that we should be doing all we can to protect the victims, while this seems to be geared to make the criminals 'feel ok' about themselves. I mean, why should we hold them accountable? Why should we make them feel bad about what they did? It's because they DID SOMETHING WRONG! There are so many problems with this, it's hard to single out one thing. Next the government will make it against the law to call a sex offender a sex offender cuz you might offend the sex offender. I hope I'm not giving you any ideas.
