

Submitter: Natalie Lamproe

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3362

Oregon gets enough taxes from us! Oregon needs its own form of DOGE to monitor the spending instead of taxing us to DEATH! It's already one of the most expensive states to live in. We can't afford more taxes, we need less taxes so people can thrive. NO to all your BS taxes!!!! Spend the money you get already in better ways!
