Measure, Appointment or  
Topic: SB77

Chair Golden, Vice-Chair Nash, and members of the Senate Committee on Natural Resources and Wildfire. I urge your support of SB 77. SB 77 will curtail the abuse of Oregon's land use laws, which are intended to preserve farm and forest land for natural resource uses. Not only are ag and forest lands being used for unintended purposes, (large commercial activities) but that use increases traffic on local county roads. Increased vehicle use costs counties more money to maintain. Higher traffic levels also conflict with use of the roads for working farm and forest vehicles. The two uses are not compatible. Keep commercial/retail uses in urban and suburban areas where they are expected, supported and welcomed. Thank you.
