We urge you to vote NO on this bill, as it does not food for all Oregonians, ONLY for NON Oregonians. Definition of "criminal" is one who defies a public law. Illegals are criminals by definition. Would love to have them apply for citizenship and join our state, legally, to become citizen, find work and enjoy a productive life as a taxpayer of our state, and then they will not need to receive food assistance. Some folks will need help, which is a different situation completely than this bill.
