

Submitter: Nate Vanderzanden

On Behalf Of:

Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: SB821

Dear Time Kotek and constituents,

I oppose this bill. We the tax payers with kids cannot let this bill pass. You cannot let sex offenders go unregistered. Those of us who do not live in gated communities suffer from this nonsense.

We already have the worst rated governor in American again but now Oregon is also a harbor state for illegals and sex offenders? Come on!

Do not pass this bill
