

Submitter: D Clark

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3546

Committee Members,

My name is Deborah Clark from District 11. ? I urge you to support HB 3546, the POWER Act.?

My understanding is that Oregon families and small businesses subsidize large data centers' energy costs, driving up electricity bills??.? HB 3546 provides a solution by  
? • Creating a data center customer category for accountability?,  
? • Ensuring they pay their fair share and invest in our utility infrastructure?,  
? • Protects families from unfair energy costs.

With data center growth, Oregon must safeguard energy stability and affordability. Please vote YES on HB 3546?.

Thank you.
