Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2548

HB 2548 proposes a sweeping, one-size-fits-all mandate that could force many family farms and ranches out of business.

HB 2548 disregards the significant protections already in place for farmworkers and threatens to fast-track new, burdensome regulations that could cripple Oregon's agricultural industry.

And you wonder why 13 counties have voted to join Idaho.
