### **Support SB 77**

**Dear Chair Golden and Vice Chair Nash and Committee members,**

**I attended the hearing on March 6, 2025. It was sad that people testifying were limited to 1 ½ minutes. After listening to the hearing(s) and reading all of the testimony on the combined bills I support SB 77 on Home Occupations on EFU zoned land.**

**It would be nice to see guidelines on what is a home occupation, it should be farmer owned and ran by the farmer/owner.**

**The other point is that I think a home occupation does not stay with the property when the ownership changes.**

**Sincerely,**
