

Submitter: Jim Wraith

On Behalf Of:

Committee: House Committee On Climate, Energy, and Environment

Measure, Appointment or Topic: HB3546

Osborne is stupid to think charging residential customers 6 times more for electricity than large tech customers is good for the state or the economy. What a idiot. We know he is in the pockets of big corporations and is corrupt. Go to he'll Virgil Osborne. You don't represent Oregon or Roseburg.  
Vote him OUT !!!
