

Submitter: Penny Miltenberger

On Behalf Of:

Committee: House Committee On Labor and Workplace  
Standards

Measure, Appointment or  
Topic: HB2548

Our farmers already have too many regulations and this bill would not allow the farmers to terminate, hire, and manage their farm or ranch without interference from individuals that don't know about the running of a farm or ranch. This bill would amount to causing many more Oregon farms to disappear and we need these farms to supply our local foods. I strongly urge a NO vote on this bill.
