

Submitter: Gary Burton
On Behalf Of: Self
Committee: Senate Committee On Judiciary
Measure, Appointment or Topic: SB821

I oppose this bill! If there is a backlog of cases then the Governor needs to step up and hire more employees to handle the load!

Bring in the needed employees to do these assessments from the existing pool of state employees, temporarily assigning them to do this important and needed assessment!

I expect the governor to govern, and this is the perfect time to step up and do so!
Respectfully submitted.
