

Submitter: Margaret Talt
On Behalf Of: myself
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2548

As I understand this bill, it restricts or takes away altogether the right of a farm owner to employ workers of his choice. This is not the American way. If the farm owner realizes he needs to cut costs, has a worker whom he feels is not satisfactory whatever the reason, he should be able to freely dismiss a worker. This sounds to me as though tax money and a government agency could be used against a private citizen.

Please do not legitimize this bill.
