

Submitter: Robert Youngman
On Behalf Of: State of Oregon's family farm families
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2548

Under no circumstance shall this Committee nor the entire Oregon House of Representatives nor members of the Senate pass HB2548 if they value family farms in the State of Oregon. Members of Oregon's public will be watching very carefully that members of both Houses will defeat this ludicrous Bill. Nor should Governor Kotek ever be re-elected if she approves of this Bill.
