Dear Chairman Nosse and Members of the House Committee on Behavioral Health and Health Care:

My name is Jennifer Daugherty and I am an LPC. I am a therapist in Portland, Oregon working with clients all over the State by way of telehealth. I have been a a therapist in private practice for over 20 years.

I am writing this letter in support of HB2029. Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,

*Jennifer Daugherty*
