On Behalf Of:

Committee: House Committee On Labor and Workplace
Standards

Measure, Appointment or
Topic: HB2548

I am from a 5th generation farm and I oppose HB 2548. Our farm has already had to reduce worker hours, change crops, and automate to control labor costs. Farmers don't get to set prices for their commodities, so there is no way to recover the increase cost passed by a new governing board. I strongly urge you to oppose HB 2548. Thank you!
