

Submitter: maren crae

On Behalf Of:

Committee: House Committee On Behavioral Health and Health  
Care

Measure, Appointment or  
Topic: HB2029

This bill is crucial for protecting psychotherapist in Oregon from the over reach of predatory insurance companies. As a licensed psychotherapist in private practice I am hesitant to provide care to Oregon Health Plan recipients due to the substantial risk posed by incurring an audit and clawback without limits. It would devastate my practice and my family financially. Please support mental health practitioners and potential clients by supporting this bill.

Thank you,  
Maren Crae, Reg. Associate MFT  
Eugene, OR
