Measure, Appointment or  
Topic: HB2548

I have ZERO confidence that an unelected body, which HB 2548 would create, would be beneficial to farmers in Oregon. I see this as just another way the State of Oregon is trying to regulate and control a business that they know nothing about. I see this as another push behinds Biden's 2030 initiative that will eventually take privately owned lands out of the hands of the land owners. VOTE NO!
