

Submitter: Eric Pimm
On Behalf Of:
Committee: House Committee On Labor and Workplace Standards
Measure, Appointment or Topic: HB2548

This proposal just creates more unelected bureaucracy and violates Oregon's at-will employment law. Family farms should not be discriminated against! Non-elected officials should not dictate how and when farms can make employment decisions. This proposal also opens farms up to unnecessary lawsuits. Family farms cannot afford to hire special employees to keep up with the ridiculous compliance measures the states pile on top of them year after year.
