Taxpayers Association of Oregon
urges No vote on
HJR 11, HJR 3

We reject calls to cripple the people's initiative process. The people's initiative petition process is check on power of the Legislature and Governor.

The number of grassroots-initiated Oregon ballot measures have declined since politicians enacted more restrictions. It is harder and harder for citizens to share their ideas using the petition process. Both HJR 11 and HJR 3 place extreme burdens on the people exercising their right to vote by putting important matters before the public.
