Committee: House Committee On Rules

Measure, Appointment or Topic: HJR3

Instead of making it harder to submit a petition, why don't you make it easier? The current process for individuals to get, sign, and mail a petition is ridiculously complex. Why don't you develop the machinery for petitions to be signed online? Then you wouldn't have any trouble getting lots of signatures and people from all over the state participating.

STOP CURTAILING OUR CITIZEN RIGHTS.
