Care
Measure, Appointment or Topic: HB2029

Dear Chairman Nosse and Members of the
House Committee on Behavioral Health and Health Care:

My name is Ernest Likins and I am a licensed Marriage & Family Therapist associate.

I am a therapist in the Portland area of Oregon and have been practicing for 3 years.

I am writing this letter in support of HB2029.

Insurance audits are abusive and unfair and limit access to care to the people of Oregon. Please help stop this practice.

Thank you for supporting this bill.

Sincerely,

Ernest Likins
