

Submitter: Marie Green

On Behalf Of:

Committee: House Committee On Labor and Workplace Standards

Measure, Appointment or Topic: HB2548

We have plenty of laws in place to assure fair pay and appropriate working conditions for farmworkers. Some of the most restrictive in the nation.

Farmers are the backbone of Oregon and of the nation. Let's face it we all need food. In addition, food prices are all ready high, so why would we want to add additional burdens on the farmers?

I oppose this bill. Please vote no.
