

Submitter: Tim Allen

On Behalf Of:

Committee: House Committee On Labor and Workplace  
Standards

Measure, Appointment or  
Topic: HB2548

I request that all legislators, committee members etc. oppose this Bill. It goes too far and is done without regard to the voice of the folks it will affect the most. It is tough enough providing jobs and products for people in our rural communities, we need MORE flexible employee/employer opportunities not less.
