Measure, Appointment or Topic: HB2527

Dear Members of the House Committee on Economic Development, Small Business,  
and Trade,

I am writing to express my strong support for House Bill 2527, which proposes appropriating \$2.5 million to the Union County Fair Association. These funds are intended to support essential water and sewer improvements at the Union County Fairgrounds, located in La Grande, Oregon.

This project has been a focus for the Union County Fair Board for over 40 years. This is something that should be fully funded and supported by the State of Oregon. It is vital and necessary for a place that would be an evacuation site for emergency purposes in Union County. I respectfully urge you to support HB2527 to ensure that the Union County Fairgrounds receive the necessary resources to continue serving our community.

Thank you for your attention to this important matter.  
Sincerely,

Scott Bisenius
