Measure, Appointment or Topic: HB2548

I am writing in opposition to HB 2548.

I support family farms. This bill will only add unnecessary rules that add more cost to already struggling farmers and result in fewer jobs. Too, it will make it more than difficult for farm employers to manage their workload.

* To unionize the entire industry without farmers or workers having a say is so un-American; this is their livelihood they're fighting for and I support them 100%.
