

Submitter: Jill Coleman

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or  
Topic: HB3512

My name is Jill Coleman, and I live in Portland, OR. I am writing in support of HB 3512 to get toxic chemicals out of consumer products and out of the firefighting foam that's harming firefighters. I support HB 3512 because I care deeply about safe drinking water for our communities, pollinators, fish and wildlife that PFAS harms.

Thank you in advance for your support of HB 3512.

Sincerely,  
Jill Coleman  
Portland, Oregon
