Committee: House Committee On Education

Measure, Appointment or Topic: HB3444

To whom it may concern,

My family has really enjoyed the experience we've had at our charter school the last 4 years. We choose to send her to Gresham Arthur because of the teachers that really care about the students education that are there every day.

As a parent of an Oregon public charter school student, I am writing today in support of House Bill 3444. HB 3444 will fix a deep disparity currently happening in Oregon schools. Over the last ten years, charter school enrollment has gone up, but funding relative to enrollment has decreased. Public charter school students are public school students, and it's past time to fund their education fairly.

Please vote yes on HB 3444.

Thank you,  
Ashley Clardy
