

Submitter: Dan Standley

On Behalf Of:

Committee: House Committee On Education

Measure, Appointment or Topic: HB3444

To whom it may concern:

I'm writing to give support to the measure to increase funding to charter schools. My daughter has been a teacher at Arthur Academy for almost 20 years. It's a job she loves and excels at. She does the same job as a teacher at a public school but her pay and benefits are significantly less. This measure would help give more equal pay for the work she and other charter school teachers do. I encourage your committee to support and move this measure forward.

Sincerely,
Dan Standley
