Topic: HB2548

As a life long farmer and operator of a Century Farm/Ranch, I implore you to vote no on this overzealous bill. Farming and Ranching are hard enough without added rules and regulations written by people that have no clue what goes on at the farm, and or the costs of production, repairs, equipment, and a variety of other cost. We do not need any more regulation or our farms and ranches.

PLEASE VOTE NO ON HB2548
