

Submitter: Lara Paustian

On Behalf Of:

Committee: House Committee On Economic Development, Small  
Business, and Trade

Measure, Appointment or Topic: HB2527

We are very strongly in support of the water and sewer improvements at the Union County Fairgrounds. It is an opportunity to have more events that can bring the community together. We are neighbors of the union County Fairground, and would love to see more traffic and use of the fairgrounds.
