

Submitter: David Griffith

On Behalf Of:

Committee: House Committee On Labor and Workplace
Standards

Measure, Appointment or
Topic: HB2548

Please tell the labor unions to leave our farms alone...our farmers have enough issues to deal with. To add more restrictions to their employees would just add more costs to their attempts to make a living off the land. Farmers have many major issues to deal with they can't control like the weather, the market, rising costs of fuel, fertilizer, seeds and equipment. .A successful farmer might be considered a living miracle.
